Connect audio and video

Overview of Webex

The screenshot shows a Cisco Webex Meeting window. At the top, there is a menu bar with 'File', 'Edit', 'Share', 'View', 'Audio', 'Participant', 'Meeting', and 'Help'. The main area displays a large video of Catherine Sinu. Below the video is a toolbar with icons for mute, video off, screen share, recording, chat, help, and end meeting. At the bottom, there is a gallery of other participants: Adrian Delarico, Catherine Sinu, Sherry McKenna, David Liam, and Alison Cassidy. A floating panel on the left shows meeting details for 'Quarterly Analytic Visualizations' hosted by Catherine Sinu, including the URL, meeting number (555 123 456), video address (csinu.company@webex.com), audio connection (US Toll 1-555-123-4567, US Toll Free 1-555-123-4567, and a link to show all global call-in numbers), and access code (555 123 456).

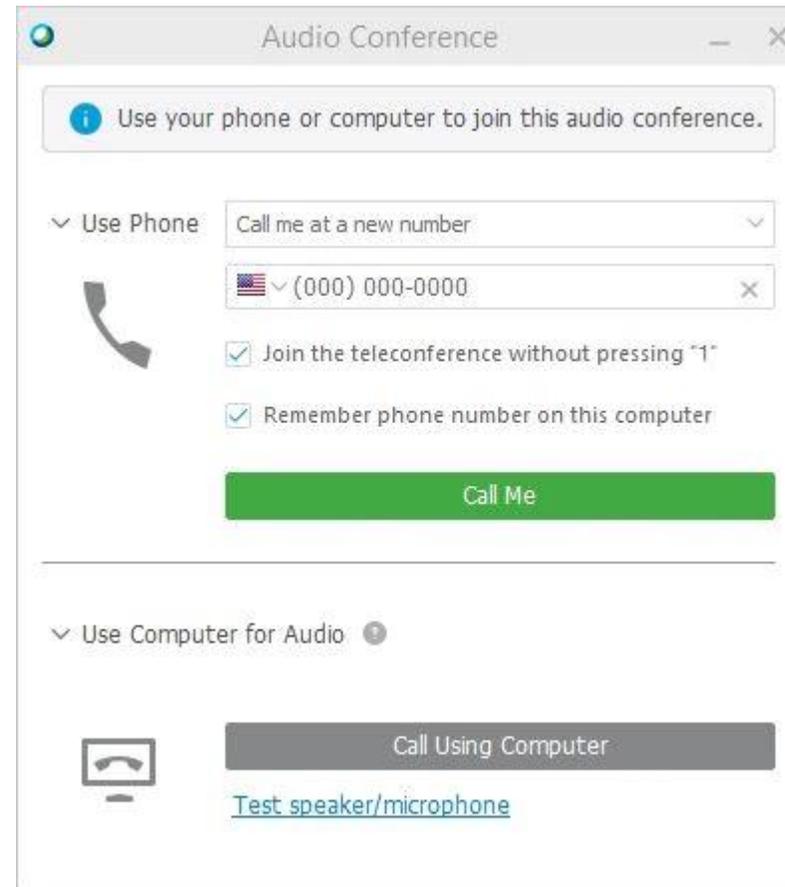

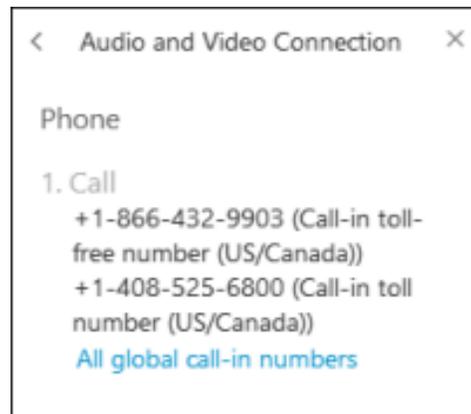

Change your **Video Layout**  to control where you view video participants and panels on your screen.

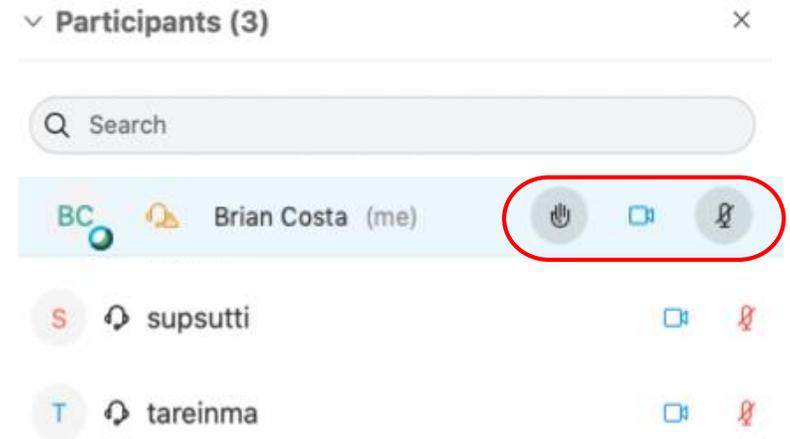

Choose **Floating Panel View**  to position any panel where you want it – even on a second monitor.

Access the **Meeting Info**  to get details about the meeting.

Meeting controls hide when you're not using them and then re-appear when you move your cursor.

Connect to Webex Audio

ปุ่ม Ball ใช้สำหรับโยกย้ายอำนาจการควบคุมการประชุมไปยังผู้ใช้งานท่านอื่น เพื่อให้เขาแชร์หน้าจอ หรือบังคับการประชุมแทนได้

ปุ่ม Video สำหรับใช้ เปิดและปิดภาพของผู้ร่วมประชุม

ปุ่ม hand ให้ผู้เข้าร่วมยกมือขึ้น / ลง ผู้เข้าร่วมสามารถดูได้ว่าการยกมือของตนเองขึ้นหรือไม่

Mute Background Noise

The screenshot shows a Zoom meeting window. On the left, a notification box displays a bar chart with four bars of increasing height, indicating noise levels. The text reads: "We're detecting background noise from your microphone." Below this is a red button with a microphone icon and the word "Mute". Underneath the button are two links: "Not a noise" and "Disable noise detection". On the right, the "Participants" panel is visible, listing several users. A red box labeled "Raise hand" points to the hand icon in the participant's control bar. Another red box labeled "Speaker" points to the lightning bolt icon in the same control bar. The status bar at the top right shows "Connected" with a blue dot.

Chat

The image shows a screenshot of a Cisco Webex Meeting interface. The main window displays a large green circle with the letters "RT" in the center. At the top, the title bar reads "Cisco Webex Meetings" and includes menu options like "File", "Edit", "Share", "View", "Audio", "Participant", "Meeting", and "Help". A toolbar at the bottom contains icons for mute, video, chat, and other functions. The chat icon is highlighted with a red circle. On the right side, there are two chat windows. The top one is titled "Participants (3)" and lists participants: Phearwnapa Malakan (host), natrada, and Nattapon. The bottom chat window is titled "Chat" and shows a message from Phearwnapa Malakan to everyone at 10:23 AM: "ขอบคุณทุกท่านที่เข้าร่วมประชุมค่ะ". Below the message is a list of recipients: Everyone, natrada, Nattapon, R Techawieset, and UserSom. The "To:" field is set to "Everyone". At the bottom of the chat window is a text input field labeled "Enter chat message here".

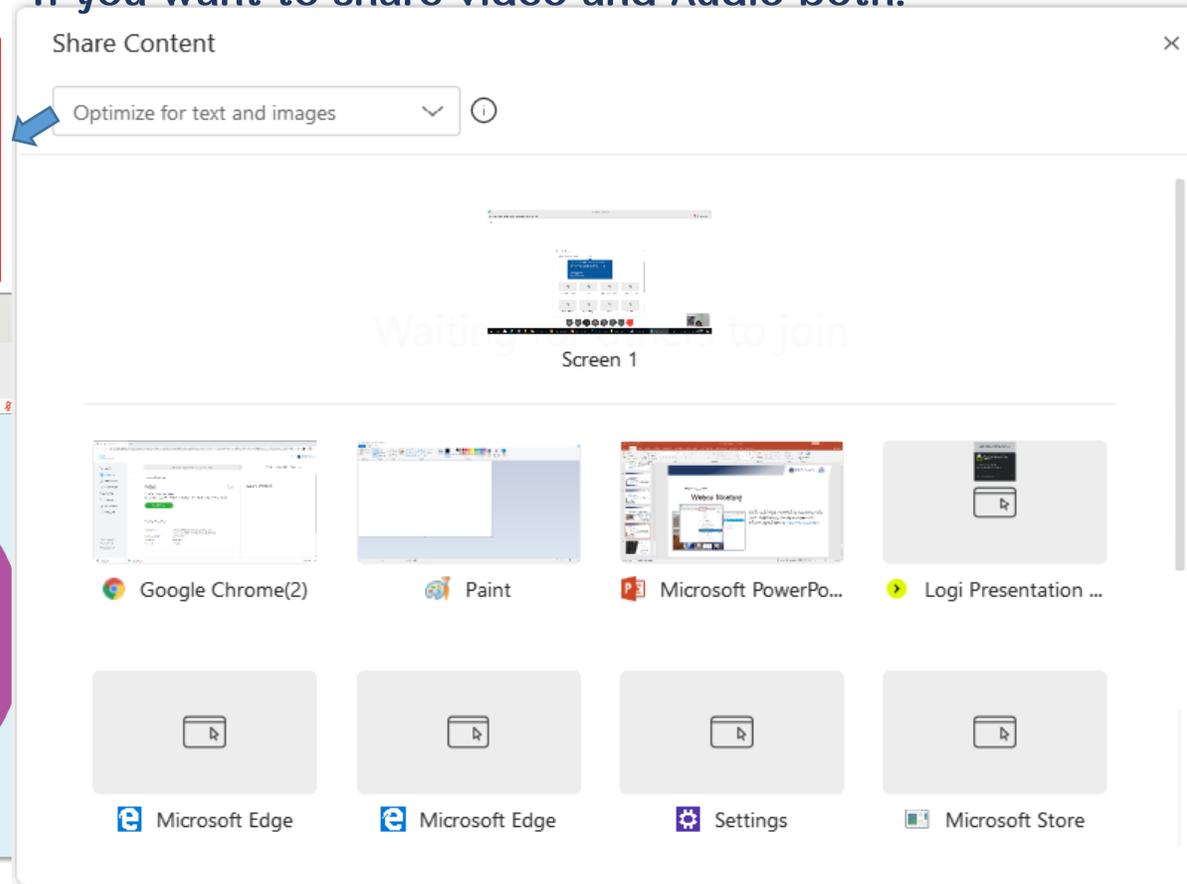

Share content

Click on the Drop Down list. Select Optimize for motion and video.
If you want to share video and Audio both.

The screenshot shows the Cisco WebEx Meeting Center interface. A red box highlights the 'Share Content' dropdown menu. The menu is open, showing three options: 'Optimize for motion and video' (selected with a blue checkmark), 'Optimize for text and images', and 'Optimize for motion and video' (with a blue checkmark). The main content area displays a pie chart titled 'Target' with the following data:

Segment Color	Percentage
Purple	41%
Green	34%
Yellow	13%
Orange	12%

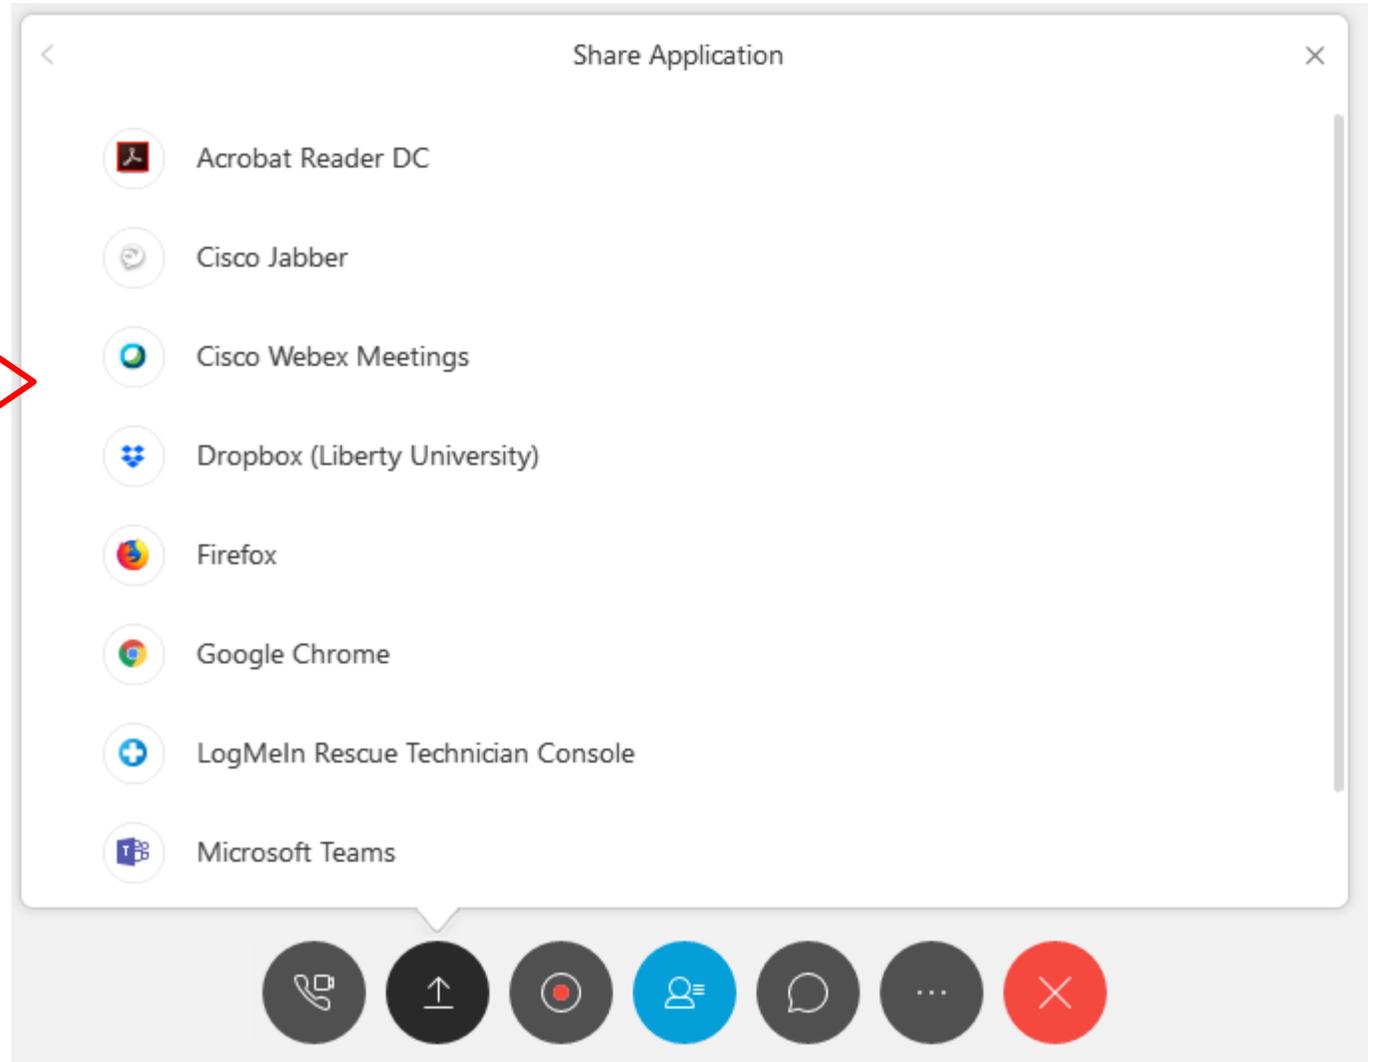

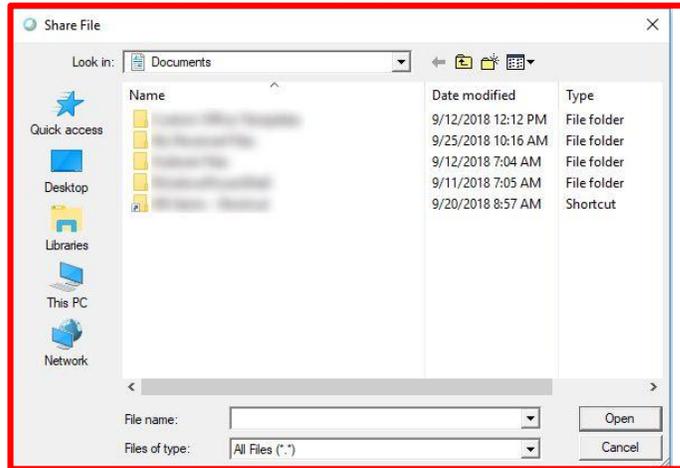

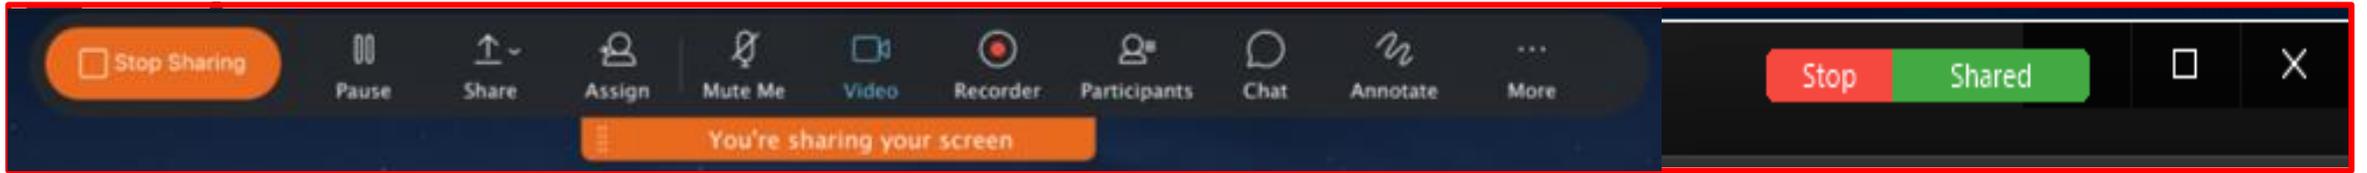

The screenshot shows the 'Share Content' dialog box. The dropdown menu is set to 'Optimize for text and images'. Below the dropdown, there is a preview of the content being shared, labeled 'Screen 1'. The dialog box displays a grid of application thumbnails:

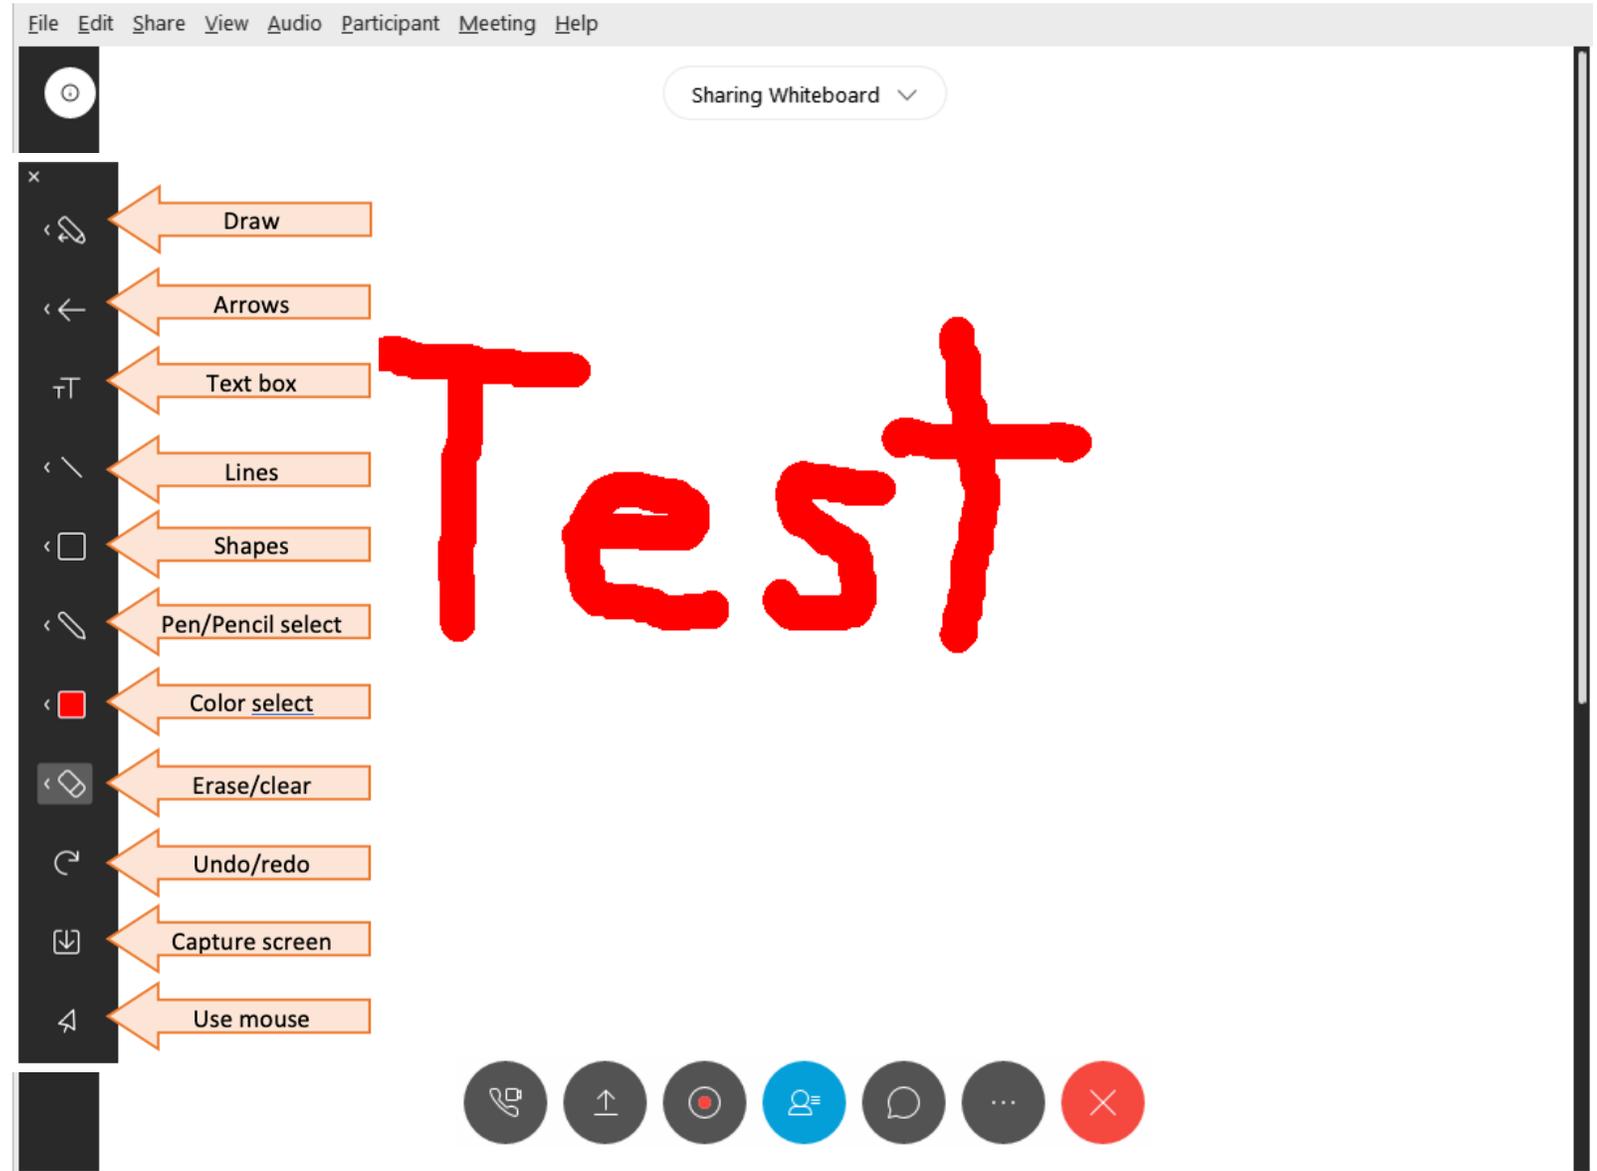

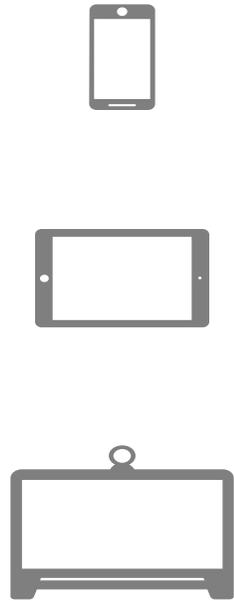

- Google Chrome(2)
- Paint
- Microsoft PowerPo...
- Logi Presentation ...
- Microsoft Edge
- Microsoft Edge
- Settings
- Microsoft Store

Share

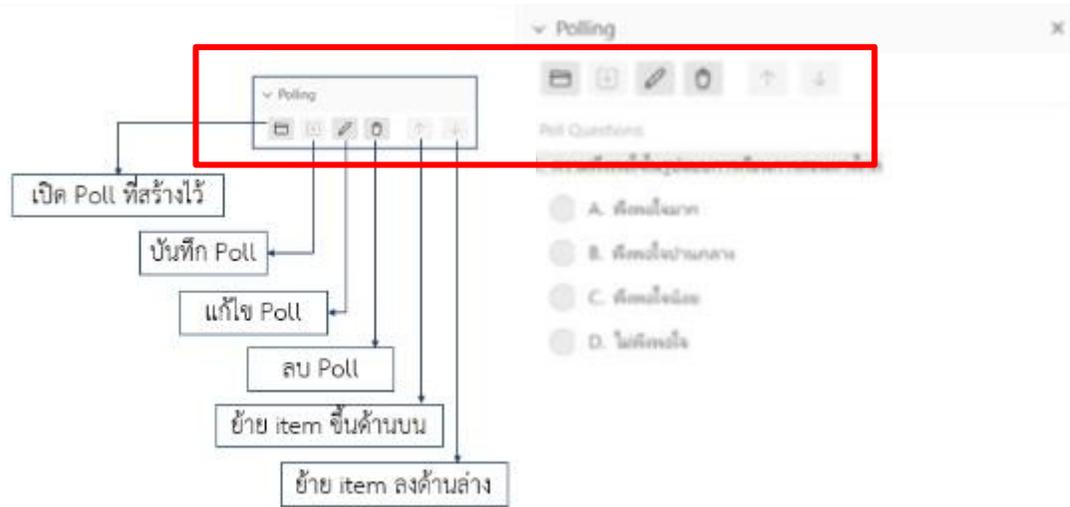

Annotation & Whiteboard

The screenshot shows a whiteboard application window with a menu bar at the top containing 'File', 'Edit', 'Share', 'View', 'Audio', 'Participant', 'Meeting', and 'Help'. Below the menu bar is a 'Sharing Whiteboard' dropdown menu. On the left side, there is a vertical toolbar with various drawing tools, each with an orange arrow pointing to its label: 'Draw', 'Arrows', 'Text box', 'Lines', 'Shapes', 'Pen/Pencil select', 'Color select', 'Erase/clear', 'Undo/redo', 'Capture screen', and 'Use mouse'. The word 'Test' is written in large, red, hand-drawn letters in the center of the whiteboard. At the bottom of the window, there is a row of six circular icons: a microphone, an up arrow, a red circle with a white dot, a blue circle with a white person icon, a speech bubble, and a red circle with a white 'X'.

End Meeting

The screenshot displays the Cisco Webex Meetings interface. At the top, the title bar reads "Cisco Webex Meetings" and the menu bar includes "File", "Edit", "Share", "View", "Audio", "Participant", "Meeting", and "Help". The main area shows a large "R" watermark. A red-bordered dialog box titled "End Meeting" is centered, asking "Do you want to end the meeting for all participants?" with a "Save meeting files" checkbox and two buttons: "End Meeting" (highlighted in red) and "Cancel". Below the dialog, the bottom toolbar contains icons for mute, video, chat, audio, and a red "X" icon. A dropdown menu is open over the red "X" icon, showing "End Meeting" (highlighted in red) and "Leave Meeting". The right sidebar shows "Participants (5)" with a search bar and three participants: "Phearwnapa Malakan" (Host, me), "natrada", and "Nattapon". Below that is a "Chat" section with a message from "Phearwnapa Malakan to everyone:" at 10:23 AM. The bottom of the screen shows a video gallery with thumbnails for "Nattapon", "natrada", "R.Techawieset", and "UserSom".
